

ZAK MCKRACKEN

AND THE ALIEN MINDBENDERS™

REPIXELED™

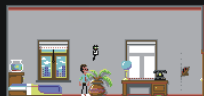

A TYPICAL DAY IN THE LIFE OF ZAK MCKRACKEN

Two-headed turtles... possessed toasters...
carnivorous cantaloupes... reincarnated
rock stars... vegetarian vampires...

For Zak McKracken, it's just another day
at the office. He's the roving reporter
who's scoffed at by his peers. Dreaded by
his creditors. And relished by readers of
his tabloid sleaze.

But one night in bed, Zak McKracken
uncovered evidence of an extraterrestrial
plot. And unlike all the other „alien
conspiracies“ his tabloid churns out with
regularity, this one's for real!

Gosh, it's getting late.

Zak McKracken And The Alien Mindbenders™ was originally created and designed by
David Fox, Matthew Kane, David Spangler, and Ron Gilbert.

The game was released for the first time by Lucasfilm Games Ltd. in the year 1988.

This is a repixeled and reprogrammed version of the game's beginning
and is made with respect for the beloved classic.

All art, programming and additional writing is made by RETRO -angle-.
